Notes:
1. Baffles are permanently factory-mounted.
2. Baffles can be shipped separately for field mounting upon request.
3. Baffles are available on both 12" x 12" (305 x 305) and 24" x 24" (610 x 610) nominal size units.
4. Removal and installation of core is unchanged, by lifting locking spring and rotating core into or out of position.
5. Metric (SI) dimensions are given in millimeters.
6. For further detail on Plaque Diffusers, refer to Specification Sheets 12003 [T-bar mount] and 12005 [Surface Mount].
